CRETAN TSIKOUNDIA VIDIANO

Tsikoudia Vidiano is a product of traditional distillation and is produced exclusively from selected grape marc of the white variety Vidiano that is cultivated in our privately owned vineyards.

› DISTILLATION

The grape marc is distilled into traditional discontinuous pot stills in a slow process where only the heart of the distillate is collected.

› ORGANOLEPTIC CHARACTERISTICS

An electric distillate with crystal appearance and delicate aromas of herbs and peach. Richness and finesse in the mouth with ripe fruit flavors and discreet minerality.

› CONTENT IN ALCOHOL
